

## *Pizza Church:* Your Family is Invited

*Pizza Church* is Church of the Advent's new monthly spiritual formation program for families. Meeting from 4:30 – 6:30 pm on the first Sunday of the month, we'll eat together, sing together, hear a story and have some conversation about God, then we'll do some art. The evening ends with a brief candlelit service in our chapel.

*Pizza Church* replaces our regular Sunday morning Church School. Children, youth and their parents attend together, so this is an activity for the whole family. After our meal together, youth will gather in the 'youth loft,' while the rest of us have a story and a special activity, help with clean-up and set up for chapel for the candlelit service.

Here is a preview of the evening:

4:30-arrive and make a family pizza. If you don't eat pizza, PBJ will always be on hand.
